Scholarship Application for Master Gardener Training

Name: _____

Street Address: _____

City: _____ State: _____ Zip: _____

Day Phone: _____ Eve/Cell Phones: _____

The Master Gardeners of Northern Virginia (MGNV) have a limited budget but would like to share what we have so that everyone has a chance to contribute to their community through public education and service about gardening. Please help us decide how to most effectively use our resources by answering the following questions. Use additional sheets if necessary.

1. Why do you want to take the Master Gardener course?

2. How do you plan to help your community as a Master Gardener? Are there particular areas of public education or community service that you would like to get involved in?

3. Do you possess any particular creative skills or other unusual attributes or experiences that would bring significant added value to MGNV?

4. Have you ever volunteered for your community? If yes, please tell us when, where, and how often.

5. One of the factors we take into account is financial need. Please describe the economic circumstances which demonstrate your financial need for this scholarship.
